

Collegiality

1. *Teachers talking about the practice of teaching (in precise and concrete language)*
2. *Teachers design, plan, and prepare teaching materials together.*
3. *Teachers regularly teaching one another about specific teaching practices.*
4. *Teachers are frequently observed and provided with useful feedback by peers as well as administrators.*

Judith Warren Little, 1982

5. *Teachers asking for and giving one another help.*

Susan Rosenholtz, 1989
